Description

The "Swan-Retro Alu" from Excelsior combines a classic look with modern style. The flexible arm frame made of lightweight aluminum gives it an elegant city bike vibe and ensures an upright riding position.

Perfect for the city: With the basket on the handlebars, you're ready for shopping, and the Carrier easily handles extra loads. A Steering Stabilizer keeps the Front Wheel stable when you park the bike.

The 7-speed Shimano Nexus hub gear system, available with either a coaster brake or freewheel, always gives you the right gear. The lighting system, featuring a Hub Dynamo, LED Front Light, and Rear Light from CONTEC, ensures you can see well and be seen.

The "Swan-Retro Alu" delivers riding fun, practicality, and excellent value for the money.
