Technical data

Main colour	black
Material	plastic
Material 2	aluminium

Description

MIDLAND Accessories "Bikeplay Pro Expansion Kit"
Bikeplay Pro extension kit, two cameras, and two TPMS sensors.
The two cameras allow you to continuously monitor and record the motorcycle's surroundings. The videos can be saved to a microSD card (not included). Blind-spot detection: the rear camera monitors blind spots and alerts the Fahrer when a vehicle is approaching.
The Tire Pressure Monitoring System (TPMS) allows you to monitor tire pressure and temperature in real time. If there are deviations from the preset safety values, a warning message appears on the Bikeplay Pro.
Package Contents: Two FULL HD 1080p cameras, Extension Cables for the cameras, two TPMS sensors, and small parts for installation., **black**
