CONWAY MTB hardtail "Razz C 4.0" (#2)

Description

The Razz 4.0 C brings a sporty biking experience to everyday life—which isn't just about the ride to school. Through town in the morning, to practice in the afternoon, and later a ride with friends on gravel, park trails, or the small wooded area behind the neighborhood: This hardtail stays easy to ride, responsive, and ready for more than just the direct route. The Suspension Fork smooths out bumps, and hydraulic disc brakes provide a sense of security even during sudden stops. Equally sporty and suitable for everyday use.
