

hebie Rear Kickstand "Fox"

Description

Rear Kickstand Fox from HEBIE

If you use your bike every day, you need one with a stable Rear Kickstand like the "Fox" from HEBIE. How can you park it safely if there is nothing to lean on? It provides a secure stand, especially if it is intended to support the weight of panniers on the Carrier. HEBIE has designed the plastic and steel stand for city and trekking bikes and children's and youth bikes with wheel sizes 24" and 26". Depending on the bike size and the desired angle of inclination, the length of the "Fox" can be flexibly adjusted.

The stability of the "Fox" is extremely well balanced in terms of quality and durability in relation to price and ease of use.
