

Product data sheet

mipa Filler "PX 9"

Description

MIPA "PX 9" filling putty

2-component polyester universal filler, includes hardeners

For leveling depressions and unevenness in passenger car repairs and in vehicle and machine construction. Professional-grade quality with outstanding properties. Excellent adhesion to iron, steel, aluminum, fiberglass-reinforced plastic (FRP), galvanized substrates, and wood. Optimal workability for achieving closed, smooth surfaces. High stability on vertical surfaces. High filling power with fine grain. No cracking at the edges during fine sanding., **1000-ml can**

Article number:	89417367
Original number:	288920000
EAN:	4016176155860
EVP:	23.30 €

Technical data

Design	pretreatment
Range of application	vehicle preparation
Main colour	silver
Secondary colour	brown
Container type	can
Container size	1 l
Weight	1.601 kg
Type	hardener, putty
