EAN:	4251971168794
EVP:	**35.95 €**

Description

Do you enjoy traveling on vacation in your car, RV, or trailer? Then you should definitely keep the following in mind: In Italy, Spain, and Portugal, it's mandatory to equip your bike rear carriers with a warning sign!

And that's exactly where the CONTEC Safe R Rack comes in: The warning sign is ideal for attaching to bike rear carriers, and at 50 x 50 cm, it's large enough to be quickly spotted by other road users. If you're traveling through the mountainous landscapes of Southern European countries, improved visibility is always advisable.

The warning sign is made of aluminum, features eyelets and an Edge Protection Set, and comes packaged with mounting hardware. Included are four elastic straps (length: 60 cm) and two lashing straps (lengths: 1.5 m and 3 m, width: 25 mm).

Technical data

Main colour	white
Secondary colour	red
