Article number:	02920343
Original number:	BK26HV9250
EAN:	4251971151253
EVP:	**5999.00 €**

Description

With 1,295 watt-hours from two batteries, the Victoria “UTILYON 4” also offers outstanding endurance in powering its high-torque engine. So here, too, the motto is: Long-distance rides, here I come!

Common to all “UTILYON” dual-Battery models is their commanding presence: powerful, robust, and inspiring confidence. Add to that the feeling that you can conquer any terrain. The maximum gross vehicle weight of 180 kg guarantees smooth handling as well as ideal conditions for carrying luggage–whether in rear panniers weighing up to 25 kg or up to 7 kg on the optional “LOADON” front rack.
