

## CONTEC Mudguard set "Splash Protect"

### Description

#### Dirt protection

The "Splash Protect" mudguards from CONTEC are made of sturdy, break-resistant plastic and hold over the supplied, 3.4 mm thick steel struts. Matching the mudguard color, they are also powder-coated black. The struts for the front mudguard are equipped with a Mini Clip XL safety system should about a branch get into the spokes, the struts are released from the otherwise stable connection. Available in numerous sizes, widths and color variations.
