

Product data sheet

QiO Electric compact bike "Compact AP-8" (#1)

Description

The "Compact AP-8" from QiO is the ideal entry-level model for anyone who wants to combine compact mobility with style and function. With 20" wheels and a sturdy aluminum frame, it offers you maneuverability and a compact size for urban life.

The Bosch mid-motor with Smart System provides reliable support up to 25 km/h. The 8-speed Shimano "Nexus" hub gears ensure simple, precise gear changes, while the chain drive gives you a direct riding experience. Hydraulic Disc Brakes bring you safely to a stop - even in wet conditions. With a 545 Wh battery capacity, Fenders, Rear Light with brake light and a permissible total weight of 180 kg, the "Compact AP-8" is a well thought-out compact bike for anyone who wants a compact e-bike with easy handling.
