

fi'zi:k Saddle "Tempo Aliante R1 Adaptive"

Description

The Fizik "Tempo Aliante R1 Adaptive" Saddle is the ideal choice for road cyclists who value comfort and performance. With a length of 275 mm and a frame diameter of 7 x 9 mm, it impresses with its high-quality workmanship. The saddles are made from a robust nylon carbon scarves and come in elegant black. The ingenious cut-out and lowering ensure effective pressure distribution and increase comfort during longer rides. The construction without suspension enables direct power transmission to the bike, which is an advantage in competitions. The ICS mount offers the option of attaching accessories such as bags or rear lights, while the patented seat post mount ensures uncomplicated mounting. The unisex design makes the Fizik "Tempo Aliante R1 Adaptive" saddle the ideal choice for all road cyclists who value both style and functionality.
