

SRAM Chain "PC 1"

Description

Chain PC 1 from SRAM

The PC 1 from SRAM is ideal for internal gear hubs and singlespeed drives. As the chain is made of steel with 114 links, it is particularly hard-wearing. The special anti-rust coating makes the chain particularly hard-wearing.

Article number:	03340825
Original number:	68.2793.114.205
EAN:	710845504761
