

CONTEC Saddle Clamp "Saddle.Part"

Description

Stable & always saddle tight

The CONTEC clamp holds the "Classic Exclusiv Touring DS" saddle in the desired position. Simple and uncomplicated, it can be attached to the tapered tip of the seat tube or a seatpost. With the help of the clamp, the saddle angle can be adjusted and changed.

Whether on long or uneven bike trails, the CONTEC saddle clamp always maintains the selected position of the saddle. The product is available in the color silver.
