

Product data sheet

atranvelo Carrier "City"

Description

Adjustable Aluminum Carrier by ATRANVELO

The City 24-29 AVS is an adjustable aluminum Carrier designed for touring or city riding. It is suitable for bikes with wheel sizes between 24 and 29 and mounts to the rear stays.

Since the rack comes equipped with the ATRANVELO transport system, bags and baskets can be attached tool-free using the appropriate Adapter. The Spring Clamp allows you to safely transport loose items such as a ball or a picnic blanket. A reflector mount and a maximum load capacity of 25 kg round out the features of this Carrier. Weight: 610 g.
