Description

Chain 7Z1 from WIPPERMANN

The 7Z1 chain from WIPPERMANN is made for your trekking bike or ATBs. Thanks to its robust construction, it shines above all on varied terrain - whether it's forest paths, gravel tracks or asphalt deserts.

WIPPERMANN manufactures the chain from stainless steel, which is why it is particularly robust and does not require much maintenance.

The chains are particularly hard-wearing thanks to their special anti-rust coating.
