

HERRMANS Rim Tape "HPP"

Description

HERRMANS rim tape "HPP"
till 8 bar (116 psi), yellow

New developed, heat-resistant material, **new developed and patented W-TECH Technology (Wing - Tech)**, better/easier mounting because the rim tape slips into its position, easier tire mounting due to precise rim tape fitting, non-slipping even under extreme/higher loads; also perfect for MTBs and E-bikes, approved rim tape for XXL E-bikes (also for E-bikes with permissible total weight of up to 150kg), **26", 20-559**
