Description

An everyday trekking e-bike. The TRESALO 4 from VICTORIA is your reliable partner for adventures on city and country roads. With its full set of StVZO-compliant equipment and puncture-resistant SCHWALBE tires, it offers you the safety and comfort you need for carefree rides. The MIK System Carrier lets you attach bags, baskets, and even child seats, so you're always flexible and well-equipped on the go.

Comfort and Functionality Combined
Thanks to the Suntour Suspension Fork, you'll tackle even bumpy terrain with ease. The adjustable Stem and ergonomically curved Handlebars ensure a comfortable riding position that makes longer rides enjoyable. The rigidly mounted Saddle supports a stable, reliable ride. The HTM interface on the headset allows you to attach various front carriers from the Victoria accessory lineup, making it even easier to carry smaller items.

Technical Highlights
The TRESALO 4 is equipped with an 8-speed Shimano derailleur, which offers a wide gear ratio range of 409% and ensures you have the right speed for any situation. The hydraulic Shimano disc brakes at the front and rear provide reliable stopping power, while the Bosch Performance drive, together with the PowerTube 540 battery, delivers powerful assistance. The Purion 200 Display gives you all the important information at a glance. All carriers feature a second, lower crossbar to which panniers can be attached.

Target Audience
The TRESALO 4 is ideal for frequent riders, commuters, and trekking enthusiasts who value a balanced combination of functionality, comfort, and an attractive price-to-performance ratio. Experience the freedom and joy of every ride with this trekking e-bike—whether in everyday city life or on extended tours in nature.
