Weight	0.340 kg
Use	standard

Description

The Rear Kickstand Fix 40 T from HEBIE
Simply fold out - and your bike is ready to go! Nothing could be easier if your bike has a Rear Kickstand like the "Fix 40 T" from HEBIE. Located directly under the Carrier, it also ensures that the bike remains stable even with a heavy load in the panniers. It offers standing comfort on city and trekking bikes in the sizes 26", 27.5" and 28". The length of the stand can be variably adjusted to these sizes.
Thanks to the choice of materials and high-quality manufacturing, the "Fix 40 T" is comfortable to use and lasts a long time. There is a suitable place to attach it to the left Chain Stay, near the Dropout. Please note: The hole spacing for mounting is 40. If in doubt, simply measure or ask your bike dealer or mechatronics engineer.
