

Product data sheet

KMC Chain "X12"

Description

12-speed chains from KMC

Whether on a road bike or MTB - the X12 chain cuts a fine figure both in asphalt deserts and on dusty trails. KMC has designed the chain especially for sporty use.

If you ride a bike with a 12-speed drive, the X12 chain is just right for you. With its 126 links, the chain is made of durable steel.

In order to be able to close the chain properly, a Connecting Link is included in the scope of delivery, which connects the two loose ends.

Article number:	03343183
Original number:	BX12TI126
