

Product data sheet

CONWAY Electric SUV "Cairon SUV FS 8.0" (#1)

Description

The "Cairon SUV FS 8.0" is made for anyone who wants to be sporty on the road without sacrificing comfort. With an aluminum frame, 27" wheels and 120 mm front and rear suspension travel, you can roll confidently through the city and off-road. The geometry offers you stability and riding fun, even with a full load of up to 140 kg.

Need a little more for the road? The HTM 2.0 front carrier mount allows clever transport solutions, the bike is child seat and trailer approved and ready for the range extender. The BCM module readiness ensures smart connectivity, while the eMTB+ mode provides an extra boost on the mountain.

At the heart of the bike is the powerful Bosch mid-motor with Smart System, a powerful 800 Wh Battery and the Shimano "XT" 12-speed derailleur - for precise gear changes and reliable support whenever you need it.
