RCS corsacorta RR

RACE REPLICA

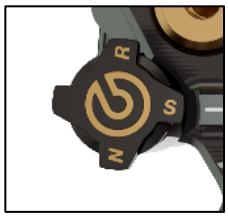

50° ANNIVERSARY LIMITED EDITION

Product description

The "**RCS corsacorta RR**" - Race Replica, machined from billet, is the next evolution of the radial brake master cylinder and the closest to those used in racing. The black finish achieved through hard oxidation confers remarkable wear resistance and smooth running of the components, while the float and seals are the same as those used in MotoGP. Like the "RCS Corsacorta", the stroke can be varied in three positions (R-S-N), while the offset and lever position can be adjusted for total customization.

This exclusive limited-edition piece is part of a highly coveted run of **only 500 units worldwide**. **Individually numbered** and meticulously crafted, it offers collectors and enthusiasts a rare opportunity to own a truly unique item to celebrate Brembo's 50 years of Racing activities.

Technical features	Benefits
 Titatium gold pivot, the same used in racing.	Lightweight and strong, with superior fatigue and corrosion resistance.
 **Idle stroke adjuster:** - "R" Race – lever is most reactive - "S" Sport – intermediate reactiveness - "N" Normal – lever has softer braking power	Allows the rider to adapt their braking power according to their preferences
 Cutted and shaped from a solid block of material, this master cylinder is entirely made from billet	• High precision • Excellent strength • Best quality for racing applications

50° anniversary limited edition KIT

The "**RCS corsacorta RR**" limited edition will be available in a dedicated box, celebrating 50 years of Brembo excellence in the world of racing.

The box will contain the RCS Corsa Corta RR – Limited Edition and a dedicated brake fluid reservoir, with a black cap and gold Brembo logo.
