

CONTEC Chain Stay/Frame Protection Set "Full HD"

Description

Best paint protection for your bike

When riding off-road, paint damage to the frame material is easily caused by rocks and shift/brake cable housings. The CONTEC chainstay and frame protector set "Full-HD", self-service packed, effectively prevents paint scratches from the chain and housings. The set consists of 1x 31 x 230 mm chainstay guard, 5x round frame protectors with a 30 mm diameter, 5x frame protectors, oval 20 x 50 mm / rectangular 88 x 92 mm. All elements are self-adhesive and made of durable high-modulus PU. The ideal paint protection film for those who want to preserve the beauty of their bike.
