

Product data sheet

CYCLO Brake Fluid "Profi 7"

Article number:	03173044
Original number:	202170015
EAN:	5013863030393
EVP:	14.95 €

Technical data

Main colour	black
Secondary colour	green
Weight	0.126 kg

Description

CYCLO brake fluid "Profi 7"

mineral hydraulic oil, compatible with all hydraulic mineral oil-bike-disc brakes, Aero Technology professional-hydraulic oil is designed for professional use and therefore extremely stable, the braking system requires no periodically bleeding, Profi 7 absorbs no water and has therefore an excellent resistance to aging, ideal viscosity with low and high temperatures in the range from: -58,7° C ~ 380° C, reliable sealing through optimum seal compatibility, **125ml**
