QiO Electric compact bike "Compact P5" (#1)

Description

The QiO "Compact P5" is your smart companion for everyday use - compact, powerful and stylish. With the Bosch mid-motor including Smart System and 545 Wh Battery, you can enjoy dynamic support up to 25 km/h to the full. The low-maintenance belt drive and the 5-speed Shimano "Nexus" hub gears ensure a quiet, smooth ride - ideal for city and touring.

The 20" wheels and sturdy aluminum frame offer maneuverability and comfort. The low step-through makes it easier for you to get on and off the bike.

Hydraulic Disc Brakes, Fender and a permissible total weight of 180 kg make the QiO "Compact P5" a real everyday hero. Everything fits here - for you and your mobile lifestyle.
