Description

The Fizik "Vento Argo 00 Adaptive" Saddle in black is a top model for road cyclists who don't want to compromise. With a length of 265 mm and a frame diameter of 7 x 9 mm, this saddle offers a perfect balance of comfort and performance. The cover, frame and scarves are made entirely of high-quality carbon, which ensures extremely low weight and maximum stability. This unisex Road Saddle is ideal for riders who place the highest demands on their equipment and are looking for a reliable and high-performance saddle.
