

## CONTEC Bike Computer "CBC-464"

### Description

#### Stay fully informed with 8 features

If you like to stay informed about your bike ride in a clear and convenient way, this Bike Computer from CONTEC is the right choice for you. The "CBC-464" stands out with its very simple operation and a large, backlit Display. It can be mounted without tools and displays all the information you need about speed, distance, and time.

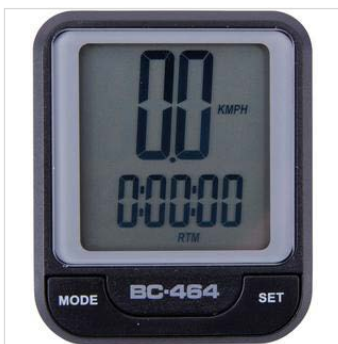

You'll appreciate that this Bike Computer is a true all-rounder. It features a total of 8 functions: The "CBC-464" displays comprehensive information on speed, daily and total kilometers, as well as daily and total ride time. It also features an automatic start/stop function.

Additional features include the time, a power-down mode, and a night-light Display.

This Bike Computer comes with a CBC unit, a twist-click Handlebar Bracket with cables and a Sensor, a spoke magnet, mounting hardware, a CR2032 3V lithium battery, and an instruction manual.

In addition to the practical Display lighting, this Bike Computer also offers the major advantage of very quick setup of all basic data.

If you like to head out on a bike ride with clear and comprehensive information, this CONTEC Computer is the right choice for you.
