

Product data sheet

VICTORIA Electric trekking bike "Tresalo 6" (#2)

Description

All-rounder for city and countryside. The Tresalo 6 from Victoria is your useful everyday and leisure companion that will impress both in the city and on country lanes. With high-quality full StVZO equipment and Schwalbe's puncture protection tires, you'll experience safety and comfort on every ride. The practical MIK system Carrier offers flexibility for bags, baskets or child seats.

Comfort meets function

The Suntour Suspension Fork with Thru Axle guarantees pleasant rides even on uneven paths, while the adjustable Stem and offset Handlebar ensure a comfortable, individual riding position. The rigid saddles ensure stability and control, ideal for relaxed tours in the countryside. The HTM interface on the headset allows you to attach various front Carriers from the Victoria accessories range, making it even easier to take smaller items with you.

Technical data

The Tresalo 6 is equipped with 9-speed Shimano derailleur gears and reliable Shimano disc brakes. The Bosch PX drives together with the PowerTube 600 Battery provide powerful support on all your rides. The Kiox 300 Display provides you with all relevant riding data at a glance so that you are always well informed. All Carriers offer a second, lower cross strut to which panniers can be attached.

Target group

The Tresalo 6 is your ideal comfort utility bike if you value a balanced price-performance ratio and reliable technology. A classic companion for anyone who wants to combine riding fun and utility.
