

Product data sheet

CONTEC Slinger foot "Bike Slinger"

Description

Perfectly staged

The CONTEC connecting feet "Bike Slinger" are an ideal basis for the sophisticated presentation of high-quality bikes. The feet are a sophisticated tool for connecting the CONTEC "Bike Slinger" exhibition stands.

Thus, the professional display of bicycles is achieved with simple, thoughtful means. The classic black connecting feet for exhibition stands are made of sturdy plastic. They come in a practical set of 4 pieces. These feet provide a secure stand for the presentation of bicycles.
