CONTEC Pedal Straps "Nylon Strap"

Description

More power & secure grip

Whether for the MTB, the sporty singlespeed or the road bike - toe clips in combination with the CONTEC pedal straps "Nylon Strap" give that extra bit of performance, without needing clipless pedals.

The nylon strap is simply pulled through the guides provided on the pedal and toe clip and can be set to any shoe size thanks to quick adjustment. The "Nylon Strap" is available as a self-service packed pair and can be retrofitted in conjunction with the pedal straps on every bike.

Ideal for those who like to pedal hard.
