

CONTEC Handlebar "Mendoza"

Description

Lightweight & robust

Adventures off the beaten track - that's what CONTEC's "Mendoza" road bike and gravel bike Handlebars are made for! Whether on the road or on rough surfaces, our lightweight but robust Handlebar made of double-buttet 6061 aluminum won't let you down. The Handlebar Plugs are angled 12° outwards for better handling in demanding riding situations and for a relaxed, varied position on the long haul.

125 mm drop and 70 mm reach mean a compact handlebar shape that can be ridden relaxed in almost any grip position. The weight is 315 g (420 mm). The Handlebar is available in 400, 420 and 440 mm.
