

Product data sheet

KMC Chain "Z8"

Description

8-speed chains from KMC

The Z8 chain is versatile. It fulfills its purpose both on trekking bikes for extended tours and on road bikes or MTBs for sporty rides.

The Z8 is suitable for 8-speed drives. The 116-link chain is made of durable steel.

A special anti-rust coating makes the chain particularly robust and hard-wearing. In order to be able to close the chain properly, a Connecting Link is included in the scope of delivery, which connects the two loose ends.

Article number:	03343670
Original number:	WPZ8NG116
EAN:	4715575180526
EVP:	9.90 €

Technical data
