

AXA Front Light "NXT 30"

Description

Make your bike rides safer and more comfortable with the AXA "NXT 30" LED Front Light. The Front Light offers a solid 30 lux of brightness on your rides in the city or countryside.

With a visibility range of 50 meters and a visibility of 3000 meters, you will be recognized early by other road users, which increases your safety. The integrated front reflector further increases this visibility so that you remain clearly visible even in poor light conditions. Available with Shifter for Hub Dynamo and parking light function.
