Article number:	03700184
Original number:	8640
EAN:	4250311359502
EVP:	**10.95 €**

Description

Bike pedal loose? The CONTEC pedal spanner is ideally suited for mounting and removing bicycle pedals. The 250 mm long, plastic-coated handle facilitates the loosening and tightening of the pedal thread through the high leverage effect. Thanks to the offset opening, the tool can always be optimally positioned.

The practical CONTEC pedal spanner offers advantages over conventional open-ended spanners due to its grip and the length of the lever. It is part of the basic equipment of a well-stocked bicycle workshop.

Technical data

Design	pedal
Main colour	grey
Size	15
Material	plastic
Material 2	steel
Weight	0.169 kg
Use	pedal
