Product data sheet

ATHENA Crankshaft

Article number:	78190121
Original number:	061914
EAN:	99999999
EVP:	**115.21 €**

Technical data

Design	crankshaft
Features	standard

Description

ATHENA Crank Shaft
Standard crank shafts correspond to the original crank shaft; the ABE remains valid.

Sport crankshafts are not StVZO-approved!
Some sport crankshafts feature polished connecting rods; the modified crankshaft journals (solid journals) result in increased pre-compression and improved gas flow. The resulting higher RPMs lead to improved starting performance and better overall power output. Recommended for use with tuned cylinders.
, **Standard**
