

Product data sheet

PETEC Adhesive lubricant "Seilfett "

Description

PETEC Adhesive Lubricant "Cable grease"

high-pressure resistant and viscous long-term lubricant with very high adhesion, even under extreme loads

For permanent lubrication of ropes, wire ropes, chains, linkages, reversing levers, spindles, guides, slide rails, door bolts, bearings, hinges, joints and all parts subject to high pressure, impact and vibration. Can also be used as underbody and cavity protection. High pressure resistant, non-spatter, splash and salt water resistant, temperature resistant up to +80°C, 360° valve., **500ml spray can**

Article number: 40606212

Original number: 71650

EAN: 4013558716503

EVP: **12.10 €**

Technical data

Design	lubricant
Features	temperature resistant, water resistant, salt water resistant, adhesive, pressure resistant
Range of application	car, two-wheeler, agriculture, industry, Marine, hobby / household, other
Container type	spray can
Content	500 ml
Weight	0.440 kg
