CONTEC Pedal "Sheep"

Description

Safe, non-slip & light weight

The non-slip CONTEC city/comfort pedal "Sheep" in size 9/16" with reflector and CrMo axle is the suitable pedal for all who use their bike for sports, leisure and in everyday life.

At 350g, the "Sheep" with a plastic body is on the lighter side. Nevertheless, it offers sufficient comfort and safety to equip a daily rider with. The platform pedal with its non-slip surface and plastic cage provides firm grip for feet of any size.

While the clipless pedal convinces with uncompromising efficiency in the athletic sector, platform pedals are still irreplaceable when it comes to daily use. They allow for any shoe, quickly getting on and off the bike, which is essential especially in traffic, and a high level of safety with the equipped reflectors.

The CONTEC city/comfort pedal "Sheep" is a top of the line pedal. It is light, non-slip and comfortable and the clearly visible reflectors increase road safety.
