

530UWV

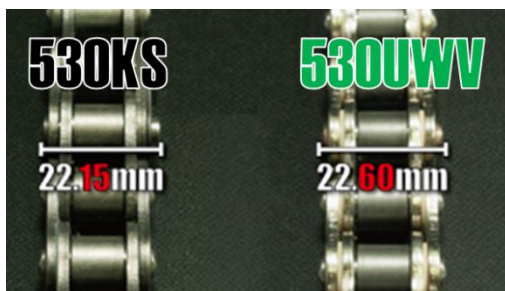

The Sealed Chain Solution for Vintage Motorcycle

RK Model	Application									
	100	200	300	400	500	600	700	800	900	1000
530UWV										400-900

- RK 530UWV were developed for **Vintage Motorcycles** to replace the original equipped 530 Non-Sealed Chain, featuring RK's only technology of **Ultra Thin Seal, UW-Rings**, make possible to design a Sealed Chain with **similar chain width of a Non-sealed Chain**.
- RK 530UWV comes with **silver color coating** on the Inner and Outer plates, protecting the chain from being rusty.
- Converting Non-Sealed to a Sealed Chain result at least **4 times** chain life and **minimum chain adjustment** after initial stretch.

Model	Seal Type	Plate Thickness Inner	Plate Thickness Outer	CL Pin Length	Weight [g/L]	Tensile [kN]	Con Link Type
530UWV	UW	2.20	2.30	22.60	18.6	35.3	Rivet
