Description

The SELLE ROYAL saddle "ON Open Relaxed" is the perfect choice for anyone who wants a high level of comfort on their bike rides. Developed with the Royalgel and specially designed for e-bikes, this saddle offers an incomparable riding experience for MTB, city and trekking riders alike.

Thanks to its Royal Vacuum technology, this saddle is not only waterproof but also extremely durable, so you can concentrate on your ride in any weather. The ergonomic design with a generous cut-out ensures optimum pressure relief and offers you maximum comfort even on longer rides.

The integrated ICS mount allows you to easily attach accessories such as saddle bags or rear lights, while the seat angle of approx. 90° supports a relaxed riding position and ensures a pleasant riding experience.
