Description

Compact, powerful, stylish—the "Compact PX5+" from QiO is your smart companion for urban mobility. With the Bosch mid-drive motor and the Bosch Smart System, you'll enjoy reliable assistance up to 25 km/h—quiet, efficient, and low-maintenance thanks to the belt drive. The 800 Wh battery keeps you going all day long, even on longer rides.
The 5-speed Shimano "Nexus" hub gear system ensures smooth shifting, while the hydraulic disc brakes give you full control at all times. With 20" wheels, a suspension Seatpost, and a sturdy aluminum frame, this compact bike is designed for everyone—regardless of age or riding style.
The "+" stands for a maximum rider weight of 150 kg—ideal for heavier riders or carrying extra cargo. This not only makes your everyday life easier but also significantly more flexible—and all with style.
