

CONTEC Battery LED Light Set "DLUX micro 40"

Description

Modern & luminous

The battery light set "DLUX micro 40" consists of a bright "DLUX" front light and a LED rear light. The CONTEC front light offers two brightness levels with 20 and 40 lux (120 lumens) bright illumination. For the short way home, the front light illuminates the way solidly. The integrated 2000 mAh lithium-ion battery grants a runtime of up to 12 hours (in level 1) and can be charged virtually anywhere via the included USB-C cable. Just like the rear light, which has a burn time of up to ten hours with 8 lumens.
