Description

Reach your goal with Crosso: the short-fingered glove combines functionality with an elegant shape. The air-permeable Lycra fabric with thin mesh inserts helps to cool the hands. The ergonomic palm padding is easy on the joints, while the reflective print on the backhand ensures greater safety. Speaking of which: does the reflective print look familiar? Here we have played with the design of our DLUX lighting! The thumb of the Crosso Summer Glove is made of terry cloth and is perfect for wiping off sweat quickly. Thanks to the pull-off system, the Crosso is very easy to take off after the ride.
