

Product data sheet

VICTORIA Electric trekking bike "Tresalo 9" (#1)

Description

E-bike for everyday use. The Tresalo 9 from Victoria is your reliable everyday companion for rides on flat terrain. The option of attaching a child seat to the Carrier or taking a Trailer with you expands the possibilities enormously. The second cross brace on the MIK system Carrier allows you to easily attach panniers, perfect for shopping or touring.

Comfort and function

The Suntour Suspension Fork with Thru Axle ensures a comfortable ride, even on uneven roads. The adjustable Stem and ergonomically offset Handlebar offer you a relaxed and customizable riding position. The HTM interface on the headset allows you to attach various front Carriers from the Victoria accessories range, making it even easier to carry smaller items.

Technical data

The Tresalo 9 is equipped with a low-maintenance 5-speed Nexus hub gear and Shimano Disc Brakes, which guarantee you safety in all weathers. The powerful Bosch Performance Line engine and PowerTube 800 Battery support you on all your rides. The Kiox 300 Display provides you with a clear overview of all the important riding data.

Target group

The Tresalo 9 is your reliable e-bike for everyday use if you value easy-care hub gears and a balanced price-performance ratio. It accompanies you on all your journeys with comfort, quality and a dash of nostalgia.
