

CONTEC Mini Bell "Beast"

Description

Reliable & piercing

Experience special fun paired with safety - the CONTEC "Beast" children's bicycle bell inspires the youngest cyclists with its monster look and protects at the same time with piercing sound. At the same time, the children's bell is particularly easy to operate due to the large lever, so that the little ones can reliably and loudly draw attention to themselves in road traffic. The "Beast" bell is available in three different colors.
