

SHIMANO Chain "CN-HG93"

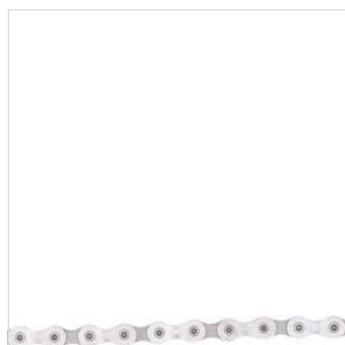

Description

SHIMANO Hyperglide Chain 9-speed

A chain for all occasions - that's the CN-HG93 from SHIMANO. The Hyperglide Chain is designed to withstand long trekking tours and the high forces of an E-bike drive, but can also withstand dusty MTB trails.

The CN-HG93 is suitable for 9-speed drives. Incidentally, Hyperglide stands for SHIMANO chains that shift particularly smoothly - even under high loads. As the chain with its 114 links is made of steel, it is particularly hard-wearing.

Article number:	07340250
Original number:	ICNHG93114I
EAN:	4524667040798
EVP:	25.95 €

Technical data

Amount of chain links	114 pcs.
Width in inch	11/128 "
Main colour	grey
Material 1	steel
Shifting type	derailleur shifting
Weight	0.300 kg
System compatibility	9-speed
Division	1/2
