

Product data sheet

MIRANDA Crank "Delta 0"

Description

MIRANDA Crank Spider

The Delta 0 from MIRANDA is a right-hand crank arm and 170.0 mm long. Lightweight and durable - this best describes the crank, as it is made of aluminum. It is also resistant to weather influences such as corrosion. The crankset is designed to withstand the high forces on pedelecs. This is what the addition "E-Bike-special" stands for.
