

CONTEC Chain "Classic Singlespeed"

Description

Robust and light

A chain is a chain - but it should be a good one. The CONTEC chain "Classic Singlespeed", including a master link, meets all the requirements of a high-quality, long-lasting bicycle chain.

The "Classic Singlespeed" in a black and black colour combination with its 112 links is very robust and reliable. The 1/2 x 3/32" chain links are suitable for narrow singlespeed sprockets. They guarantee a quiet and low-friction drivetrain.

Good care is recommended in order to make the best use of the performance of this high-quality spare part. The "Classic Singlespeed" tolerates all greases and also wax or silicone. The cleaning can be carried out with ordinary aids such as a toothbrush and a cleaning cloth.

The "Classic Singlespeed" by CONTEC is the right chain for all bikers who value light weight and quality.
