Description

ZR 355 plug-in chain

The "ZR 355" plug-in chain from TRELOCK can be plugged into frame locks with the "Protect-O-Connect-System", which means that the bike is not only locked but also unlocked. To do this, the chains are first looped around the selected fixed object and then inserted into the frame locks. The square links encased in the textile tube have a solid diameter of 6 mm. Transport bag included.
