Product data sheet

AXA Dynamo "HR-Traction Power Control"

Article number:	03103983
Original number:	9410 0095
EAN:	8713249108261
EVP:	**33.95 €**

Technical data

Mounting	left
Amount of contacts	4 pcs.
Operating voltage	6,0 V
Colour designation	schwarz / silbergrau
Main colour	black
Secondary colour	grey
Material	plastic
Weight	0.190 kg
StVZO conform	yes
Overvoltage protection	yes

Description

For more illumination
The "HR Traction Power Control" from AXA is one of the best-known side dynamos on the market. Equipped with modern technology and an extra-large Drive Wheel, this Dynamo effortlessly delivers more illumination.

The double bronze alloy and stainless steel shaft ensure a particularly long service life. If your Drive Wheel wears out after years of use, it can be easily replaced.

This Dynamo also has an overvoltage diode so that too much current is never transferred to your front or rear lights. The lamps are thus protected from burning out.
