

Philips Main bulb "Ultinon Pro6000 W5W-LED"

Article number:	15430085
Original number:	11961HU60X2
EAN:	8719018014702
EVP:	20.69 €

Technical data	
Design	main lamp
Features	more light, more view, LED
Main colour	white
Material 1	plastic
Weight	0.300 kg
Base	plastic base
Base type	W5W
Voltage	12V

Description

PHILIPS main bulb "Ultinon Pro6000 W5W-LED"
LED retrofit lamp for position lights/boundary lights

The first street-legal W5W LED retrofit lamp. In combination with the H7-LED or H4-LED, a complete LED upgrade of the headlights is now possible. The legal switch to brighter LED lights is now possible for even more drivers and already available for over 200 vehicle models, including many popular cars, vans, and motorhomes. Extensive testing in collaboration with TÜV Rheinland has enabled the final street approval by the Federal Motor Transport Authority (KBA). The approval has been granted in the form of a General Type Approval (ABG) according to §22a StVZO for use in selected vehicle models.

Note: Please check the manufacturer's website to see if your vehicle is listed on the compatibility list. The list is constantly updated and expanded., **self-service package**
