Stan's Rim Tape

Article number:	08542896
Original number:	AS0140
EAN:	847746026822
EVP:	59.95 €

Technical data

Width	39.0 mm
Main colour	yellow
Length	54.0 m
Material	polypropylene (PP)
Option	self-adhesive, tubeless
Weight	0.325 kg

Description

STAN'S Rim Tape

STAN'S Rim Tape is used to seal the rim when riding tubeless tires. Available in many different lengths and widths. Note: Ideally, the Rim Tape should be one to two millimeters wider than the rim's width.
