

Product data sheet

CONWAY Gravel bike "Nyvo 4.0" (#1)

Description

Our "Nyvo 4.0" is your reliable gravel partner - technically strong, fairly priced. It offers you a sporty and comfortable riding position that will get you moving efficiently while letting you eat up the kilometers in a relaxed manner. The geometry ensures direct handling and stable riding characteristics - ideal for fast gravel sections and long tours.

With the Shimano "GRX" 2x 12-speed drivetrain, hydraulic disc brakes and 28" wheels, you are ideally equipped for steep climbs, but also for making good progress. The aluminum frame impresses with fully integrated cables, plenty of mounting points for bags and accessories as well as space for wide tires. The design is clean and modern, and the neoprene bag hidden in the frame compartment is a clever detail for on the go. With the "Nyvo 4.0" you get a lot of bike for your money - and more freedom outdoors.
